1. GENERAL TERMS OF SALE

INTRODUCTION

The purpose of these General Terms of Sale (GTS) for the company MS Vacances is to define the rights and obligations of MS Vacances and the Clients (as defined below) when making the Booking of an Accommodation or Camping pitch via the Website or by telephone with the Reservation Department: +33 (0)253 817 000 (hereinafter the "Booking"). MS Vacances reserves the right to make changes to the information in the catalogue and/or on the Website. Any major changes will be indicated on the Website and by means of prior written notice sent to the email address provided by the Client when making their Booking. The applicable GTS will be the terms as published on the Website at the time of making the Booking.

All Bookings made by a Client will be governed by the present GTS, the appended Rules & Regulations and the Privacy Policy, both of which are integral parts of the GTS.

1.2. PRICES

- The prices indicated in the catalogue are given by way of example. They are subject to change and are valid only for the current season.
- The applied prices will be those in effect at the time of making an option or a firm Booking.
- A holiday simulation does not guarantee either availability or the associated pricing.
- Prices are subject to change without notice.
- All prices listed are inclusive of VAT. Any changes to the VAT rate will result in a change in the pricing.

1.3. BOOKING TERMS

- All contracting parties must be at least 18 years of age, have the legal capacity to enter into a contract and not be under legal supervision or guardianship. In any case, MS Vacances reserves the right to require signature of a release binding the Client and the rest of their party to following the Rules & Regulations.
- A Client may only book holidays in their own name and on their own behalf only and must personally occupy the selected Accommodation or Camping pitch for the duration of the stay.
- The Client may make their Booking by telephone and/or via the Website, under the terms and conditions laid down below.

1.3.1. Telephone Bookings

- Clients can contact the Reservation Department on +33 (0)253 817 000 in order to get a holiday simulation for a particular Accommodation or Camping pitch, which will then be sent to the Client at the email address provided during the telephone exchange with the Reservation Department. The purpose of that holiday simulation is to inform the Client about a particular Accommodation or Camping pitch and does not entail any form of obligation towards MS Vacances on the part of the Client.
- Clients can also contact the Reservation Department to make an option for a particular Accommodation or Camping pitch. When an option is made, MS Vacances will send the GTS, the Rules & Regulations and the Privacy Policy to the Client in PDF format for the purpose of getting their agreement. These options are only valid for the period of time indicated in the booking option, after which they will be cancelled by the Reservation Department. If the Client pays the deposit requested by MS Vacances within the allotted timeframe, using one of the payment methods listed in Article 1.5.3 below, the option will be converted into a Booking, effective once the Client receives a confirmation email from MS Vacances, sent to the address they provided to the Reservation Department.
- Attached to each Booking confirmation email, MS Vacances will provide the GTS, with the Rules & Regulations and the Privacy policy appended, for the Client's records and so they can verify the information relating to their Booking. MS Vacances agents inform and advise Clients. They are not responsible in the event of disagreements about the booked stay. The Client's payment of the requested amounts will entail their firm and final acceptance of the Booking created by MS Vacances.
- Clients who do not want to receive unsolicited sales calls by telephone can register their number for free with France's official do not call registry on www.bloctel.gouv.fr, in accordance with Article L223-2 of the French Consumer Code.

1.3.2. Online Bookings

- Clients can make Bookings on the Website and create an Account. They can simply select the Accommodation or Camping pitch of their choosing at the Establishment by clicking on the "Book now" button.
- The Client then chooses one of the available payment methods and expressly access the General Terms of Sale, and then makes the payment for the amount of the deposit requested by MS Vacances. The Client will be redirected to a secure payment interface operated by an MS Vacances payment service provider.
- Once the deposit has been paid, MS Vacances will confirm the Booking. The Client will then receive a Booking confirmation email from MS Vacances. At this point, the Booking is firm and final.
- Finally, any arrival without a prior Booking will

automatically entail acceptance of the GTS once the Accommodation and/or Camping pitch has been made available. The General Terms of Sale are posted at the Establishments and can be accessed on www.ms-vacances.com. A copy can also be obtained free of charge, upon request.

- MS Vacances will provide real-time information about the availability of Accommodations or Camping pitch. In the event that multiple Bookings are made for the same pitch, at the same time, MS Vacances will notify the Clients by email that the Accommodation or Camping pitch is unavailable for a certain period of time and will refund their deposit within twenty-four (24) hours business days.
- Camping pitches and Accommodations may only be booked on a strictly personal basis. Under no circumstances may a Client sublet or transfer a Booking without the express, and prior agreement of the MS Vacances Group.
- Anyone under 18 years of age must be accompanied by their legal guardian who will be responsible for them for the full duration of their stay.
- The applicable rate is based on the person's age during their stay, not their age on the Booking date.
- Specific Accommodation or Camping pitch is only assigned on site, by MS Vacances, and cannot be reserved in advance. MS Vacances cannot guarantee that it will be able to fulfil special requests made at the time of booking (pitch number, etc.) and may not be held responsible if such requests are not satisfied. No compensation for this will be owed. The pitch number will be given to the Client once the Accommodation or Camping pitch is available, on the day of the Client's arrival. Any requests approved by MS Vacances will automatically be subject to an additional charge, which will be communicated to the Client for their express acceptance.
- Requests submitted within seven (7) days of the Client's arrival date cannot be processed and will therefore have no binding or contractual value.

1.3.3. Camping pitches

- The camping price shown on the Website or communicated by an MS Vacances agent includes access to the Camping pitch for 2 people. Any additional campers (3rd, 4th, 5th and 6th person) will be subject to an additional charge.
- The maximum capacity is 6 people. MS Vacances reserves the right to deny access to the Establishment to holidaymakers arriving in groups larger than the listed maximum capacity, with the understanding that each child counts as a person.
- The booking of a Camping pitch includes 2 people, the vehicle, access to the toilet and shower blocks and the installation of the equipment belonging to the Client, such as a caravan, a tent, a van, or a motorhome. Only one equipment may be installed on the Camping pitch.
- It is imperative to provide us, at the time of Booking, with the precise details of the equipment that will be installed during the stay. In the event of any missing or incorrect information, MS Vacances declines all responsibility in respect of the assigned pitch.
- Clients must submit any changes to the equipment indicated on the booking contract, to the Reservation Department, subject to availability and acceptance by the MS Vacances Group.

1.3.4. Accommodation

MS Vacances offers a variety of Accommodations ranging from 2 to 8 people. For Accommodation for 4-6 or 5-7 people, the first number represents the capacity recommended by MS Vacances and the second, the maximum capacity. MS Vacances will be compelled to deny access to the Establishment to holidaymakers arriving in groups larger than the listed maximum capacity, with the understanding that each child counts as a person. Failure to follow this rule will automatically entail an additional charge, to be defined by MS Vacances, and subject to its express acceptance by the Client. The installation of any additional equipment or vehicles is strictly prohibited on Accommodation Bookings.

1.3.5. Booking fees

- The fee for Bookings made by telephone is €15 for stays of 1 to 5 nights and €30 for 6 nights or more.

- The fee for online Bookings made on www.ms-vacances.com is €12.
- This fee is payable at the time of Booking.

1.3.6. Tourist tax and waste disposal fee

- Clients must pay the tourist tax based on the 2023 rate, subject to adjustment for 2024.
- Each Client will be billed for a waste disposal fee at the rate of €1.02/night or €7.14/week to cover the cost of waste removal during their stay.

1.3.7. Special offers

Whether they are timeless or limited offers, all the MS Vacances special offers are non-retroactive, cannot be combined and are subject to availability at the time of Booking. They are applicable to the price of the stay exclusive of any extras, taxes and fees. Special offers are first subject to the special terms and conditions of those offers (available on www.ms-vacances.com or from MS Vacances agents) and then to the current General Terms of Sale. MS Vacances may modify, remove or reactivate these offers at any time, subject to giving Clients advance notice thereof.

1.3.8. Gift vouchers

- MS Vacances gift vouchers are non-retroactive, non-refundable, cannot be combined or exchanged, and are subject to acceptance and availability at the time of Booking. Gift vouchers are valid for one use and the original voucher must be provided. Gift vouchers are first subject to their special terms and conditions, and then to the General Terms of Sale.
- A Client may transfer their gift voucher if the transferee meets the same conditions as the Client (same holiday dates, same Accommodation, etc.), up to 7 days before the scheduled arrival date. In this instance, the Client must necessarily inform MS Vacances of the transfer (by registered letter with acknowledgement of receipt or by email), specifying the full name and address of the transferee and of the other members of their party. A new Booking will then be established in the transferee's name. A thirty euros (€30) processing fee (inclusive of VAT) will be applied to all Booking transfers.

1.3.9. Peace of Mind Guarantee

- All Bookings made via the Website or by telephone with an MS Vacances agent will automatically be covered by the free Peace of Mind Guarantee, which provides for more flexible amendment and cancellation conditions, as shown in Appendix 1. MS Vacances does however recommend that Clients purchase the cancellation insurance, including the COVID extension (see Article 1.6.2). This guarantee is valid for Bookings made directly with MS Vacances. Cancellation, amendment and transfer requests must be sent to the MS Vacances Reservation Department in writing (by registered letter with acknowledgement of receipt, email, etc.). Any cancellation, amendment or transfer charges will be calculated from the date on the postmark for registered letters, or the date of receipt of the email. Refunds will be issued to the Client within a maximum of 90 days unless the Client dispose of it otherwise, in writing. In the event of cancellation or amendments of a Booking made with MS Vacances, the Peace of Mind Guarantee and Campez-Couvert insurance cannot be applied cumulatively.
- Conditions of the Peace of Mind Guarantee are available in Appendix 1.

1.4. ONLINE ACCESS TO BOOKINGS

Once a Booking is made, MS Vacances sends a confirmation email to the Client, as mentioned in Articles 1.3.1. and 1.3.2. above, which includes a Booking number attached to the surname provided by the Client when making the Booking. To view their Booking(s), the Client can either create an Account or access it without an Account.

1.4.1. Account creation

- When a Client clicks on the person icon in the upper right corner of the Website, they will be asked to fill in the fields required to create an Account. By doing so, the Client guarantees the accuracy, truthfulness and consistency of the information they are providing to MS Vacances (particularly their email address). As a result, it is the Client's responsibility to update their contact information in their online Account as swiftly as possible, whenever needed.
- By confirming the Account creation, the Client acknowledges having reviewed and accepted the MS

Vacances Privacy Policy. The Client will then receive a registration confirmation email from MS Vacances. They will then be free to update their contact information and check their Booking(s).

- MS Vacances cannot be held responsible for a Client's lack of attention when making a Booking or when changing or updating their Personal Data, or for the consequences that incorrect contact details may have on the Client's Booking(s).
- Creating an Account allows the Client to access their Booking(s) and update the information provided at the time of Account creation.

1.4.2. Access to Bookings without an Account

A Client can check their Booking(s) by clicking on the person icon in the upper right corner of the Website and then on "Go to my booking without creating an account", and then entering the surname used for the Booking and the Booking number provided by MS Vacances and clicking on the "Submit" button.

- In the event of non-compliance with any payment due dates, MS Vacances reserves the right to employ the means of its choice to collect the amounts outstanding.

- If an ANCV holiday voucher or cash is sent by post, MS Vacances strongly recommends that the Client should insure their mail for the corresponding value. MS Vacances declines all responsibility in the event of loss or theft of the Client's payment while in transit. ANCV holiday vouchers must be provided with their original stubs. The "Nom du titulaire" field must be completed, and the vouchers must all be detached from the voucher book, and not stapled or taped to anything. MS Vacances offers a cancellation insurance, including the COVID-19 extension, which is optional but strongly recommended (3.7% of the total price of the stay). ⁽¹⁾ Detailed terms and conditions are available on www.ms-vacances.com

1.6.3. Cancellations

- No late arrivals, early departures, cancellations, etc., caused by the Client, will give rise to a refund. In the event of a late arrival, the Client must notify MS Vacances by telephone on +33 (0)253 817 000 or by email in order to retain their Accommodation or Camping pitch. The Establishment reserves the right to hire out the Accommodation or Camping pitch if it has not heard from the Client within 24 hours of the scheduled arrival date. Payments already made will not be refunded.
- Both parties reserve the right to terminate the contract between them in the event of non-compliance with the GTS or the Establishment's Rules & Regulations. If the Client violates the GTS or the Establishment's Rules & Regulations, such a breach of contract will not give rise to a refund from MS Vacances. The Client may not challenge this decision on the grounds of not having collected a registered letter or signed the acknowledgement of receipt. Conversely, if the Establishment violates the GTS or its own Rules & Regulations, the Client will be issued a refund for any amounts paid to the Establishment in the name of their Booking.
- Should MS Vacances need to terminate the contract binding the two parties, for its own reasons, before the Client's departure date from the Establishment, the Client will be offered a new stay, depending on availability, or a full or partial refund of the current stay. If the Client accepts that proposal, no compensation will be paid to them and, if the price of the new stay is lower than that of the initial stay, the difference will be refunded.
- Cancellation requests must necessarily be sent to the MS Vacances Reservation Department by registered letter with acknowledgement of receipt or by email.

1.7. CLIENT'S STAY

1.7.1. Arrival

- MS Vacances reserves the right to verify the accuracy of the information contained in the summary of the Booking and in the other documents completed and submitted by the Client. If any key information proves to be incorrect (identity, number of guests, etc.), the Establishment reserves the right to terminate the contract as of right and without any further formalities or compensation. The Client may verify the accuracy of the information contained in the summary of the Booking and in the other documents completed and communicated to them by MS Vacances. If any key information proves to be incorrect (length of stay, choice of Establishment, etc.), the Client should contact the Reservation Department directly, either by phone on +33 (0)253 817 000 or by email, in order to correct that information before entering into a contract with MS Vacances. If the Client only notices the incorrect information after having made a payment confirming their Booking, they can modify their Booking under

the conditions laid down in Article 1.3.9.

- Camping pitches are available to Clients from 2 pm (3 pm in low season), after payment of the remaining balance for the stay. All Clients must follow the Establishment's Rules & Regulations.

- The Client will be responsible for any disturbances or nuisances caused by the people staying with or visiting them.

- MS Vacances draws its Clients' attention to the fact that the Children's Clubs are open to children ages 4 and over at the time of the stay, and that no exceptions will be made to this rule. As a result, children can only be signed up if they are old enough on the day of their arrival. Registration may be declined if the quota for the child(ren)'s age range has already been met.

- The Establishment shall not be held responsible if WiFi is unavailable due to reasons like an outage on the public power grid, a telecommunications network outage, or loss of Internet connectivity due to the Establishment's public or private providers. WiFi access is subject to certain terms and conditions, which are available at reception or by phoning +33 (0)253 817 000. If WiFi is completely down during the Client's stay, and the Client had purchased the WiFi package (not including MS Vacances Establishments where WiFi is included in the Booking price at no extra charge), MS Vacances will issue a refund for that package.

- Cheques are not accepted as payment for sundry expenses on site at the Establishment.

- Activities and services: an insufficient number of participants is valid grounds for cancellation.

1.7.3. Departure

- Camping pitches must be vacated by 12 pm and Accommodations by 10 am at the latest. For any late departures, the Client will be charged €20 per additional half-hour.

- Before leaving, any outstanding balance for the stay must be paid (all extras/expenditures incurred on site and not yet paid).

- Any unused credit will not be refunded or result in any kind of credit note being issued.

- On the scheduled departure date, Clients are asked to remove all their personal belongings and leave the Camping pitch or Accommodation empty. Based on the Client's selected options (cleaning package, rental of bed linens, etc.), cleaning instructions will be given to them at check-in (or by the Reservation Department on request), including a checklist to be completed.

- If the Accommodation or Camping pitch has not been cleaned before departure and/or damage is found, additional fees will be charged.

- The cleaning package is subject to availability and must be booked at least 48 hours before departure.

- The security deposit will be refunded after inspection

by the Establishment's teams and within 10 days.

1.8. APPLICABLE LAW AND JURISDICTION

- The GTS and the Establishment's Rules & Regulations are governed by French law. In the event of a dispute arising in connection with the GTS or the Establishment's Rules & Regulations, their interpretation or their effects, or with any documents supplementing or amending them, the Client should contact MS Vacances in any attempt to come to an amicable solution.

- Any complaints must be lodged with the Establishment's manager, if the subject arises during the course of the stay.

- Any subsequent complaints must be sent in writing (by registered letter with acknowledgement of receipt), within 30 days of the end of the stay, to the MS Vacances Group's Client Relations Department at:

MS Vacances - Service Relation Clients
Chemin de la Parée
85 560 Longeville-sur-Mer – France

In the absence of an amicable resolution, the Client may choose to:

- Use consumer dispute mediation: pursuant to Article L612-1 of the French Consumer Code regarding the "consumer dispute mediation process", the Client has the right to utilise the free mediation service offered by the Establishment if the Client has not obtained satisfaction a month later. In this case, that consumer rights mediator is CM2C. The Client may lodge their claim electronically on www.cm2c.net (site in French), by sending a letter to CM2C at 14 rue Saint Jean, 75017 Paris, France, or by submitting it via the online dispute resolution system available at <https://ec.europa.eu/consumers/odr/main/index.cfm?event=main.home2.show>, with the specification that the proposed mediation process cannot be imposed as a prerequisite to the Client bringing the matter before the competent court.

- Submit their claim to the competent French court.

1.9. LIABILITY

- The Client expressly recognises that MS Vacances may not be held liable for information provided by its partners, regardless of the medium.

- All of the photos and texts used in the catalogue, on the Website or on any other media are provided by way of illustration only and are not binding. It is possible that MS Vacances may eliminate some of the services or Amenities that it offers, in which case it will notify any Clients with Bookings at the Establishment in question, in writing.

- If a Client breaks any of the rules, MS Vacances reserves the right to take any appropriate measures against them, including their ejection from the Establishment, without prejudice to any legal recourse that it may take for reparation of any damage incurred.

Cancellation insurance covers 95% of personal incidents, so long as it was random, outside the affected person's control and not initiated by them.

This insurance includes enhanced cover for Covid-19, providing for reimbursement of all or part of the holiday, under certain conditions. In addition to the traditional guarantees, the enhanced cover for Covid-19 offers protection relating to individual consequences of the pandemic:

Why opt for cancellation insurance as a complement to the Peace of Mind Guarantee?

Campez-Couvert cancellation insurance is designed to provide guarantees for damages suffered BEFORE and DURING your trip. Because unforeseen events can happen to anyone (death, illness, hospitalization, loss of employment, etc.), MS Vacances strongly encourages you to take out cancellation insurance.

Despite the flexibility of our Peace of Mind Guarantee, in some cases (depending on the date the damage is suffered) it will be more advantageous for you to make a claim under the Campez-Couvert insurance so you can hold onto your holiday budget.

For example, if you book a cottage and need to cancel within 30 days of your arrival, you would have to pay between 50% and 90% of the total price under the Peace of Mind Guarantee. Cancellation insurance however offers protection against a wide range of incidents.

Campez-Couvert insurance includes the following cover:

- trip cancellation
- trip interruptions
- forgotten personal possessions
- cost of a replacement vehicle.

Enhanced COVID-19 cover extends to at least the following:

- COVID-19 infection: cancellation in the event of a declared COVID-19 infection within the month before the date of arrival, during an epidemic/pandemic
- Quarantine for illness: cancellation due to quarantining in the event of a positive COVID-19 test
- Quarantine due to close contact: quarantine obligation based on a declared case of close contact (notified via contact tracing), pending a COVID-19 test or test result.

Terms and Conditions of the Peace of Mind Guarantee:

Valid for bookings made with MS Vacances from 18/09/2023 onwards. The stated guarantee is first subject to its special terms and conditions, and then to the current Terms of Sale. Cancellation, modification or transfer requests must be sent to the MS Vacances booking team in writing (registered letter with acknowledgement of receipt, email, etc.). Any cancellation, modification or transfer fees will be calculated from the date on the postmark for registered letters, or the date of receipt of the email. Refunds will be issued within a maximum period of 90 days, unless you, the customer, have specified otherwise in writing. In the event of cancellation or modification of a booking made with MS Vacances, the Peace of Mind Guarantee and Campez-Couvert insurance cannot be applied cumulatively.

1. Cancellation, modification or transfer of a cottage or camping pitch booking at your request

In the event of full cancellation of a booking at your request, MS Vacances will refund the amount paid, minus the applicable cancellation fees depending on the amount of notice given. These fees are calculated based on the total price of the stay, with a minimum charge of €30.

- Modification of a cottage or camping pitch booking, resulting in a lower price
Within 44 days of the day before arrival, the credit note issued will correspond to the difference between the total price of the new stay and the amount already paid. The credit issued is non-refundable and must be used within the 2024 season (Booking, Reception, Loc' MS, MS Boutique). Within 7 days of the day before arrival, the only modifications possible (subject to availability) are those that do not affect the dates of the stay.

- Modification of a cottage or camping pitch booking, resulting in a higher price
You will be billed for the amount owed. Within 7 days of the day before arrival, the only modifications possible (subject to availability) are those that do not affect the dates of the stay.

2. Transfer of a booking

In accordance with Article L211-11 of the French Tourism Code, a booking agreement may be transferred up to 7 days before the arrival date if the transferee accepts the same conditions (same booking dates, same accommodation, etc.) as you. You must inform MS Vacances of the transfer (by registered letter with acknowledgement of receipt or by email), specifying the full name and address of the transferee and of the other members of their party. A new booking agreement will be drawn up in the name of the transferee. A processing fee of €30 will be charged to you, the original customer.

2. ESTABLISHMENT RULES & REGULATIONS

INTRODUCTION

These Rules & Regulations are provided by way of example. At the Establishment, all instructions and rules attached to the different services and infrastructure must be followed. 2.1. ENTRY AND STAY REQUIREMENTS

To be allowed to enter, set up camp or stay at an Establishment, the Client will require the authorisation of the manager or their representative. All holidaymakers and pets must wear the MS Vacances wristband at all times, for purposes of identification. No one shall be allowed to elect domicile at an Establishment.

2.2. POLICE FORMALITIES

- Anyone under 18 years of age must be accompanied by their legal guardian who will be responsible for them for the full duration of their stay.
- The applicable rate is based on the person's age during their stay, not their age on the Booking date.
- Minors unaccompanied by their parents are not allowed.
- Pursuant to Articles R814-1 et seq. of the French Code for the Entry and Residence of Foreigners and the Right of Asylum, the manager must have Clients of foreign nationality complete and sign an individual police form upon arrival. In particular, this form will include their: 1) full name; 2) date and place of birth; 3) nationality; 4) permanent address; 5) mobile phone number and email address; and 6) scheduled arrival and departure dates. Children under 15 can be included on one of their parents' forms. These police forms are kept for a period of 6 months.

2.4. NOTICES

These Rules & Regulations are posted at the entrance to the Establishment and at reception. A copy is also provided to any Client requesting one. For rated campsites, the ratings category (specifying "Tourism" or "Leisure") and the number of tourism or leisure Pitches are also posted.

Pets are allowed on site, incurring an extra charge, limited to one pet per Camping pitch or Accommodation. Their vaccination records must be up to date at check-in. Pursuant to Article 211-1 of the French Rural and Maritime Fishing Code, and to the enforcing ministerial decrees and orders, attack dogs (like pit bulls) and guard dogs (like rottweilers) are prohibited. Dogs and other pets may not be left to run free, or even locked inside, in the absence of their owners, who shall be civilly liable for them. Any behavioural problems resulting from the owner's negligence (a dog left alone and barking, droppings not picked up, etc.) and requiring action by the Establishment's maintenance team will result in a €100 charge (including VAT). Stays with a pet can only be booked for certain categories of Accommodation.

2.9. VISITORS

With the authorisation of the manager or their representative, visitors may enter an Establishment under the responsibility of the Client receiving them. Clients can meet their visitor(s) at reception. Activities, services and Amenities are accessible to visitors with authorisation. 2.10. TRAFFIC AND PARKING

On the grounds of the Establishment, vehicle speed is limited to a maximum of 10 km/h. Vehicles are allowed to circulate between 7 am and midnight. Only vehicles belonging to holidaymakers staying on site may drive on the Establishment's grounds. Only one vehicle per Booking may enter the Establishment, except for 4 bedroom Accommodations which are allowed two vehicles. It is specified that these vehicles may park on the Accommodation or Camping pitch or, in some cases, in a car park close to the Accommodation or the Camping pitch. Vehicles must be parked in such a way that does not block the flow of traffic or prevent new guests from setting up on their own spot. The gates will be closed from midnight to 7 am. During those hours, any attempt to force them open is strictly prohibited. The manager will make every effort to fulfil the Establishment's duty of watching over the grounds of the campsite. This duty is however limited as concerns actions by third parties resulting in damage to a Client's or a visitor's vehicle on the Establishment's grounds or in an internal or external car park. One vehicle may not follow immediately after another to enter or exit the property, and the gates may not be manipulated to allow another vehicle to enter or exit.

2.11. UPKEEP AND APPEARANCE OF THE FACILITIES

Each person is bound to abstain from any actions that could damage the cleanliness, hygiene or appearance of the Establishment and its facilities, particularly its toilet and shower blocks. Household and other waste must be placed in the bins. Washing may only be done in the sinks provided for that purpose. Laundry may never be hung from trees. Planted arrangements and floral decorations must be respected. Clients are prohibited from driving nails into trees, cutting their branches or planting any new growth. In the event of an evacuation, see the Establishment's evacuation plan.

2.12.2. Theft

MS Vacances will make every effort to fulfil its duty of watching over the grounds of the campsite. This duty is however limited as concerns actions by third parties like theft on the Establishment's property during the Client's stay. Only property kept in one of the safes available for hire from Reception is guaranteed by the Establishment. Clients are invited to take the usual precautions to protect their property.

2.13. MINORS

- Keep any punctuation (like !);
- Express numbers and words that sound like numbers as digits from 0 to 9 (like to -> 2).
